

It's All About Family

Maycie with her many times champion LM Full House daughter, LMC Destiny that is the kind of cow to build a herd around. The Well's always select moderate, good looking, easy keeping kind of cattle that will keep them in the cow business for many years to come.

Hunter with his many times champion LM Full House daughter, LMC Texas Belle that is out of LMC Movin Up (co-owned with 6G), a full sib to the famous LM She Moves cow that is the dam to two International Champion bulls - Red & Black Bullet.

Both Hunter (Reserve) and Maycie (Champion) won buckles at the competitive MAS III Showmanship show. The best part about these kids is that they always VOLUNTEER to help out at our events plus follow up with some great THANK YOU notes.

"The main reason our family chooses to purchase our show cattle from La Muñeca is because of their youth program. Carlos & Sister Guerra offer their time, energy and expertise in the Simbrah breed to improve the future of our children. We greatly appreciate the quality of cattle we purchase, as well as the patience and assistance of the Guerra family. Carlos Jr. has been a great help, friend and information source to us.

Our family is what showing cattle is all about and the Guerra's are an excellent example of "FAMILY."

THANK YOU Guerras for all you do for us and for the Simbrah breed."

-Ron & Rhonda, Maycie, Hunter and Hannah Wells

Ron, Rhonda, Maycie, Hunter and Hannah Wells are an asset to our American Jr. Simbrah Round Up. They are just getting started with the best yet to come as they continue to learn and Hannah joins the team. We look forward to working with these good folks for many years to come.
