

# POLLED BRAHMAN

**LMC POLLED MADISON 133/0  
2011 RGV CALF CHAMPION**

are becoming more and more popular as more and more breeders and Commercial Cowmen have the opportunity to evaluate the quality of this new generation of Polled Brahmans. We are pleased with our Houston show results. We do not plan to show a lot but wanted the public to see that our cattle are for real and can compete with the best of the breed. Our heifer won her class of 31 head and our bulls stood 2nd, 3rd, 4th and 5th in some large classes always standing in the top third or better of the class. We had lots of Brahman breeders from all over the Brahman World complement us on the quality and power of our Polled Brahmans.

We congratulate Brandon and Rachel Cutrer on their National Champion Polled Cow and the Salinas Bros. on their National Division Champion Polled Bull. There is more interest in Polled Brahmans now than ever and it is growing daily because it makes good economic sense and the cattle are pretty darn good. We welcome your visit to La Muneca at your earliest convenience to come see these good cattle in their working clothes.

LMC Polled Madison is a LMC LF Ambassador out of a double bred JDH Madison first calf heifer. He is moderate, correct, clean sheathed, wide based and is rich in breed character and pigment. He recently won Calf Champion at the 2011 RGV Show in Mercedes. He is a BEEF MACHINE !!

LMC Apollo made a lot of friends in Houston and will be our next herd sire. He is sired by LMC WFF Pistolero and is out of a JD Hudgins cow sired by Charley's Jazz 946/1. He is a major leaguer that plans to spread the good word of the New American Polled Brahman. **Semen Available - Foreign Only.**

LMC Polled Blue Belle is a super fancy and powerful Pistolero daughter out of our Koontz Ranch Miss Diane cow. She won her class of 31 head in Houston and created lots of interest. We THANK the Val Walters family for investing in her.

LMC Polled Future is an exciting polled herd bull prospect out of Ambassador and our AA 270/5 donor who is an own daughter of the International Champion V8 831/5 cow. If you are in the market for a young show prospect, a stout yearling or a two year old ready to go to work, give us a call.
