"Carlos, having watched your program for over 20 yrs. Your families passion for great cattle is never more evident than your lead time Polled Brahman program. I feel the addition of Polled Madison to our program will be very powerful and long lasting. He is perfect for today's beef industry. Thank you from all of us at Mimosa Oaks" - Dean Galbraith.

CONGRATULATIONS & A BIG HEARTY THANKS goes out to Dean Galbraith from Missouri on his recent volume Simbrah purchases and his investment of 1/2 interest in the popular champion LMC Polled Madison. Dean plans to campaign this good looking herd bull in the central part of this country that used to use more American cattle and knows that they need to again to combat the tremendous summer heat, drought and insects. This will do us all some good. There are two reasons why Brahman cross cattle are found in the majority of the beef producing regions of the world – SURVIVAL and PROFITABILITY. POLLED BRAHMAN cattle are becoming more and more popular daily and bulls like Polled Madison are a big reason why.

If you are looking for a growthy, big boned, soggy polled bull – here he is. LMC Polled Authority 115/0 is sired by LMC LF Ambassador and a top producing AA cow that has Karu, Madison and V8 189/4 in her pedigree. We have a great selection of polled herd bull prospects waiting for you. Photo at 15 months.

Victor and I recently visited our old buddy, Dr. Lee McKellar who has been one of our marketing mentors for over 35 years. Doc is 83 years old and still fired up about the Brahman business. THANK YOU DOC for all of your support and advice through the years. We have and continue to learn a lot from you.

A BIG HEARTY THANKS goes out to Mary Kate & Winston Walters on their recent investment in this fancy five month old double smooth polled Baby Doll sired by Ambassador named LMC Polled Spice. CONGRATS on all of your past winnings with your LMC Simbrah, Simbravieh and Polled Brahman cattle.
