

Why POLLED?

It Makes Economic \$ense

As the world wide demand for good POLLED Brahman cattle continues to increase, the breed is in need of producing more good POLLED cattle to fulfill the demand. We can help you produce your share by sharing these outstanding herd bull prospects. They are priced right, halter broke and have State of the Art pedigrees. They are supported by a progressive breeding and promotional program. Most important, they are GUERRANTEED to get the job done to your satisfaction.

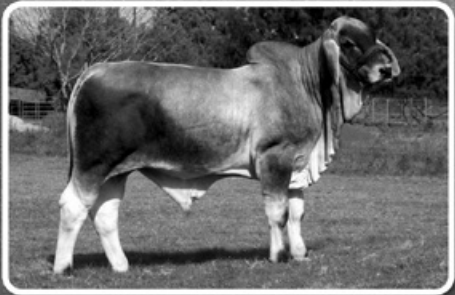

LMC Polled Samson is a DOUBLE POLLED two year old sired by Pistolero and Samantha. We plan to use this outstanding bull and are selling 1/2 interest. You pick when you want to use him.

LMC Polled Amos is sired by Pistolero and our 943 cow. He is very correct, rich in breed character and muscle. His sire is a BEEF MACHINE that is doing an awesome job.

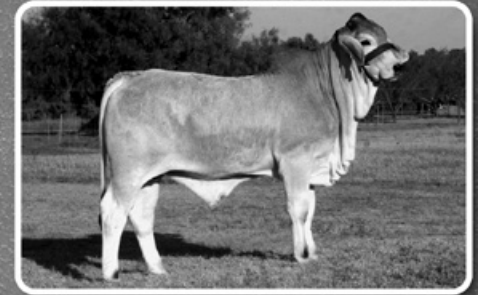

LMC Polled Rock is a major league prospect sired by Pistolero and our V8 "Rock" daughter out of the many times champion V8 38/6 cow sired by Super Stroke. Five months old in photo.

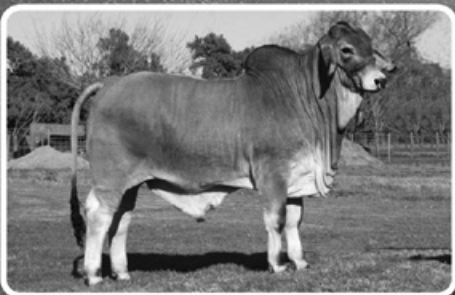

LMC Polled Bud is a big boned good looking show and herd bull prospect sired by Ambassador and a Pistolero daughter. These three Ambassador sons are 6 to 8 mos. old in these photos.

LMC Polled Madison is sired by Ambassador and a double bred Madison JDH cow. He NEARS PERFECTION IN THE FLESH and is going to make a progressive breeder some money.

LMC Polled Bevo is a super smooth Ambassador son out of a Double A cow sired by the many times champion MR V8 301/5 that goes back to Charley Manso. A good show prospect !!

LMC Polled Tony is a maternal brother to Polled Rock and is sired by Polled Maestro. He won his class both times shown in San Antonio and the RGV Shows. He will be two next spring.
