

CONGRATULATIONS & A BIG HEARTY THANKS

goes out to Sam Sparks on his recent investment in LMC Polled Sambo 45/0. He is a double polled, moderate, thick, super long, good looking herd bull prospect with a clean sheath, excellent pigment, lots of breed character and a great pedigree. He has 37 CM testicles, is fertile and ready to work at 15 mos. of age. He is sired by LMC WFF Pistolero and our Samantha donor cow who is one of our best. Sambo has full herd bull brothers in the Larry Campbell and Dennis & Ann Kelley herds. A full sister is the Matriarch of the Thunder Cattle Co. herd plus we have two great Ambassador daughters in our herd.

If you want to change the market potential of your next calf crop, we encourage you to consider investing in a good LMC POLLED herd bull that will put you ahead of the curve for the demand for good POLLED cattle. COME SEE US !!

A BIG HEARTY THANKS goes out to Morgan Arnold for investing in a fancy, thick, correct and good looking BABY DOLL show prospect sired by LMC LF Ambassador and our 146/8 cow sired by Pistolero. We have a great selection of young show prospects awaiting your inspection supported by our awesome junior program.

LMC Polled Baron is a young double polled heavy muscled herd bull prospect sired by Ambassador and a great young cow sired by a Bubba Hudgins bull and a 19 year old Schluens polled cow. Every Brahman breeder should invest in one polled animal to see the excitement it will create and the difference it will make on their future sales.

One of the biggest assets of the purebred business are the friendships that we make along the way. We appreciate our ole buddy Mike England and his family who always come out and help us with our sales. MIL GRACIAS for investing in a gorgeous smooth double polled BABY DOLL by Ambassador and a Pistolero x Donna future donor.

LMC Apollo semen is now ready for export to Australia and the Brahman World. He is going to open lots of breeder's minds on the power of this new generation of Polled Brahman that we are developing. He is a Pistolero out of a JDH Charley's Jazz 946/1 daughter. He is a BEEF MACHINE that NEARS PERFECTION IN THE FLESH !!
