

CONGRATULATIONS & A BIG HEARTY THANKS

goes out to our repeat herd bull buyer Larry Campbell on his recent investment in one half of LMC Polled Samson. He is a double polled son of LMC WFF Pistolero and is out of our Samantha donor who is one of our very best donor cows. We appreciate his length, muscle, breed character and correctness. He is a BEEF MACHINE!! We look forward to a bright future with Larry and Polled Samson.

"We can purchase quality cattle from many ranches around Texas. We buy from La Muneca because the fine animals are matched only by the Great people!!!!"

THANKS Larry Campbell!!

MIL GRACIAS goes out to Danny and Evana Davis on their recent volume purchase of Polled Brahman bulls headed up by LMC Polled Tony. Whether you are looking for a show or herd bull prospect or a trailer load of good Polled bulls – give us a call!

LMC Polled Joe is a full sib to Polled Samson and is looking for a good home. He is double polled, double thick and double good as are his parents. If you want to breed your share of the good ones you must use a top quality herd bull like Polled Joe.

LMC Polled Dakota is a very capacious, moderate, correct, good looking, double polled herd bull prospect that we plan to use in our own program. He is an Ambassador out of a V8 901/4 daughter. We are looking for a good partner on this young stud.

We welcome 403 - our latest addition to our State of the Art Polled Brahman herd. She is an ultra feminine and attractive double polled BABY DOLL that was bred by our good friends at Schneider Brahmans. We THANK them for donating her to the 2010 STBA Scholarship Auction. She is co-owned with the Fred Grahmann family, some great friends of ours that have bought cattle every year from us for over twenty years.
