

# Product and Service..PERIOD!

**LMC Polled Dakota** will head up this new choice herd. He is an Ambassador out of a V8 901/4 daughter who is out of a JDH 288/1 x V8 202/3 cow. He is double polled, deep bodied, long and will represent the breed well in this new market area.

**A BIG HEARTY THANKS** and **CONGRATULATIONS** goes out to **Kelly Barnard** from Kansas on his recent investment in an elite herd of **POLLED** Brahman females and ½ interest in the popular LMC Polled Dakota bull. We **WELCOME** his family back into the Brahman business and look forward to working with him for many years to come promoting Brahmans in the mid west.

*"As far as a few words as to why I chose La Muñeca cattle...two words could sum it up for me. **PRODUCT and SERVICE.. PERIOD!** When I decided to get back into the Brahman business, I didn't want to mess with the dehorning stress on my cattle. Your cattle still had the muscling, bone, and the beef type structure of their horned counterparts. The females had excellent udders, and were very sound females. **SERVICE..you and your family were second- to- none on answering all my questions, and helping me choose what genetics would fit my situation the best."***

**LMC Polled Donna** is a super feminine Polled Maestro out of Donna making her a full sister to Justin Hall's LMC Polled Legacy. Donna is out of the Schneider's 495 bull and has done us a great job. She also produced the top marbling bull of over 90 bulls of five breeds on test.

**LMC Polled Muneca** 165/0 by Pistolero is one of 3 daughters by 3 different sires out of our 19 year old Schluens influenced cow that now reside in Kansas. The Schluens were some of the pioneer **POLLED** breeders from Sealy. This cow has a perfect udder and has produced very well for us.

**LMC Udiana** is a super long bodied Pistolero daughter out of our Koontz Ranch Lady Diana cow and is a full sister to the LMC Polled Blue Belle heifer that has done so well for Mary Kate Walters winning several TCCA shows and Calf Champion at the All American.

**LMC Polled Donita 12/1** is a future smooth polled donor that is sired by Ambassador and a 495 daughter of our 707 MATRIARCH cow who is the dam of Pistolero, Polled Success, Polled Maestro and many more good ones. This **BABY DOLL** is a **BEEF MACHINE** and is just seven months old in the photo.

**LMC Polled Miss Kansa 67/1** is a fancy smooth polled line bred Ambassador daughter who together with her dam who is a maternal sister to Ambassador by 495 are in Kansas. Great herds are built around great cow families and she comes from one.
