

OUR GOLDEN CROSS

Great breeding programs are built around great cow families, great herd bulls and great crosses that breeders can count on year after year as they are the ones that pay the bills. Our **GOLDEN CROSS** is the cross of Ambassador on Pistolero daughters as can be seen on this page. It works every time!

LMC WFF Pistolero was born at La Muñeca but came in the great 707 cow "Our Matriarch" when we brought the top 12 cows of our good friend's David Westfall herd on a partnership. Pistolero has produced some great sons and daughters and is working well all over the Brahman World.

LMC LF Ambassador came along side a great polled V8 cow we bought from Double A Ranch. He has been a hit from day one. He is the sire to the many times popular champion LMC Polled Spice and many other great polled cattle that are very young and just now coming on. Both of these bulls will go down in the **POLLED** Brahman history book as being two of the major sires that reignited the demand for top quality **POLLED** Brahman cattle all over the world. The good news is that you can buy semen on both bulls both in the USA and foreign. The **DEMAND** for top quality **POLLED BRAHMAN CATTLE** is growing as you read this ad.

LMC Polled Bud is our oldest Golden Cross being out of our Pistolero daughter, LMC WFF Polly and Ambassador. He is owned by DeWayne Moore who is using him to produce champion ABC and Brahman cross club calves in the San Antonio area.

LMC Polled Crickett is another future Golden Cross donor co-owned with England Farms who plan to make her the "Matriarch" of their top polled herd. Her dam is a full sib to the popular Polled Aussie bull all being out of our top producing Donna donor.

LMC Polled Ava is a future donor for Kansas Polled Brahmans and LMC. She is an Ambassador out of our LMC Polled Evita donor sired by Pistolero. She has **MAMA COW** written all over her. We love the capacity and hips that Ambassador produces.

LMC Polled Foxy Lady is a double polled champion that belongs to Morgan Arnold who is going to use her as the nucleus for her top quality polled herd. The Brahman junior market is a great way to grow the breed as many become Brahman breeders for life.

LMC Polled Oro is a future herd bull for a progressive breeder that wants to add the finest of the today's **POLLED** genetics to their herd. Oro is a double polled Ambassador son out of our 707 "**MATRIARCH COW**" that is the dam to Pistolero and many other top **POLLED** Brahmans. He is for sale.
