

# THE WOW COW!!!

JDH Lady Manso 929 is a genetic masterpiece that is a breed curve bender. She scanned a 6.9% IMF, the highest in the Brahman breed with the work done by Donnie Robertson.

She offers carcass merit, genetic lead time, muscle, bone, power, pigment, breed character, pedigree clout, donor potential, market potential and the WOW factor !!

She is sired by the very popular +Mr H Maddox Manso and is out of our JDH 217 donor that is also the dam to eight LMC LF Ambassador ET Calves coming late this summer. Both parents produce the COWMAN'S KIND so we are excited about what the future holds for this cow family.

As we continue to raise the bar for the POLLED BRAHMAN WORLD, we are adding as much carcass merit as is possible. We plan to IVF this cow to our best POLLED carcass and most proven sires and plan to share the fruits of our labor with the Brahman World in Houston 2015.
