

MR. V8 733/7 (P/S) (B934072)

POLLED PHENOM

DOB 11-6-2014

We are excited and fortunate to add "Polled Phenom" to our program as he offers all of the important economic traits needed to improve Brahman cattle from a 71 lb. BW to top 10% Yearling WT. EPD, a near perfect conformation, soundness, docility, fertility, excellent marbling, a tight sheath, correctness, lots of muscle with a ton of breed character, bone and pigment all supported by an extremely rare and unique pedigree being out of two popular National Champions.

Sire – +JDH Mr. Elmo Manso was the 2008 National Champion who has sired International and National Champions all over the Brahman world. Elmo semen recently sold for \$8,000 per unit at the World Brahman Congress in Australia where there has been over 2.5 million dollars in sales of Elmo sons. He will go down in history as one of the more popular and profitable JDH Bulls of all time.

Breeding Shares Available !!

Actual BW 71 lbs. - Top 10% for YW and Carcass Weight

Pedigree - son of two popular National Champions

A CLASSIC JDH x V8 CROSS

Conformation - NEARS PERFECTION IN THE FLESH

Soundness - sound on feet & legs and covers his tracks on a wide base

Disposition - very docile and easy to handle. Pete halter broke him in two days.

Fertility - passed breeding exam at 16 months of age

Marbling - highest in sale with 4.4% IMF

Bone - excellent

Sheath - very tight with excellent bone to sheath ratio

Muscle - lots with plenty of frame to grow more

Eye Appeal & Pigment - as good as it gets

Full brother to the popular champion MR. V8 458/7 – one of V8's top semen sellers

Dam – Miss V8 100/7 (P) was the 2010 National Champion Female and is the first and only **POLLED** grey female to ever do so. She is a granddaughter of + Miss V8 98/6, the matriarch of the V8 **POLLED** program. We appreciate 100/7 for her ultra feminine look, totally balanced phenotype, thickness, structural soundness, good udder and dark pigment. Indeed the kind of cow, you want your herd bull out of.
