

# LMC POLLED AUSSIE

**LMC POLLED AUSSIE** is a bull that could represent the Breed's Standard of Excellence. He is a **BEEF MACHINE** that is loaded with muscle, correctness, balance, breed character, pedigree with a clean sheath and plenty of bone. To top it off, he is **DOUBLE POLLED**. We own him with EL Salinas Ranch owned by Beto Salinas. Polled Aussie is sired by LMC WFF Pistolero and our Donna donor who has produced lots of good ones for us.

**SEMEN is AVAILABLE in the USA**  
**\$50 per unit – ten unit minimum.**

**A BIG HEARTY THANKS** goes out to Beto for giving me this great Polled Aussie daughter for my birthday. She has MAMA Cow written all over. She is out of a V8 cow sired by V8 901/4 and out of a JDH Liberty cow. A super pedigree on a future solid cornerstone for our breeding program.

We appreciate all of Beto's support through the years. We applaud him on all of the good work he has done as Mayor for the City of Mission and South Texas. **THANKS** to Beto's leadership, Mission is booming and making things happen. He has a very productive Brahman herd.

Our ole buddy Kelly Barnard from Kansas owns two very good Polled Aussie daughters headed up by this soggy made **BABY DOLL**. Kelly has one of the larger top quality polled Brahman herds in America that is loaded with **YOUNG POLLED COW POWER** like LMC Polled Xilda.

**LMC Tobin's Muneca 123/0** is Polled Aussie's maternal sister sired by Ambassador. She is co-owned by Dr. Tobin Pennington and our son Victor. She is a heavy muscled, long, strong spined powerful **MAMA COW** that they are building their herd around.

**LMC Polled Donna 315/7** is a full sister to Polled Aussie and is a future donor. She has produced two outstanding double polled Ambassador daughters that we co-own with Kelly Barnard & England Farms that offer our Golden Cross – Pistolero x Ambassador.
