

# A BIG HEARTY THANKS

goes out to our ole buddy and partner Kelly Barnard from Kansas on his recent investment in some super fancy polled heifers. We are also proud to announce that we have sold Kelly the Schneider's interest in the super long, upstanding, powerful and good looking LMC Polled Integrity herd sire whose first calves are really good. **CONGRATULATIONS** to OW, Donna and family for hosting a very successful STBA Field Day. It was very educational and lots of fun.

**LMC Polled Integrity** is sired by our soon to be Register of Renown LMC LF Ambassador and a V8 "Tommy Bahama" daughter. We just saw him at V8 and were very impressed with how good he looks at 12 years of age. He has V8 "Superstroke", JDH Remington and WR Suva, three of the all time greats in his pedigree. Integrity's dam has a model udder and has raised three herd bulls in a row. Indeed the kind of dam you want your herd bull to have. We look forward to showing you his calves.

**LMC Polled Integrity**  
at 40 mos. of age

**LMC Pistolera 176/2** is a super long bodied LMC WFF Pistolero daughter of our AA 270/5 donor we own with Sam Sparks. Her dam, V8 831/5 won Houston and her dam is the famous V8 188/5 donor. A great cow family !! Kelly owns a full sister.

**LMC Polled Caro 205/2** is a capacious double polled Ambassador daughter of our 149/7 cow that represents our 187 cow family which is one of our more productive old school polled cow families that has a touch of Nellore breeding.

**LMC Polled Berry 223/2** is another fancy Ambassador daughter that is super feminine. She is out of a David Domsch cow that is 3/4 JDH breeding and is also the dam to the 56/0 herd bull we sold Mike England and the 157/1 heifer we sold Kelly.

**LMC Polled Dignity** is Polled Integrity's oldest son, is double polled, big boned, good looking, beefy and is going to be a future LMC herd sire. He is the total package !! We bred a bunch of cows to Integrity this year and are looking forward to lots of good calves.

*The reason I still do business with La Muñeca is easy...They are the most honest, sincere, and caring family in the cattle*

*business I have ever delt with. They go out of their way to be as honest as they can about their cattle, answer all your questions, and when the deal is done their word is golden. Second is obvious, they are one of the leaders in the Polled Brahman industry. Their cattle are the ones people want to emulate. They have done a great job in getting me the best seedstock for my operation! Thanks Carlos X. Guerra and family!*
