

We Like Them!!!

LMC Apollo (LMC WFF Pistolero x JDH Charley's Jazz daughter)

We predicted that LMC Apollo would be a **BREED CHANGER** in that he would help erase the myth that **POLLED** Brahman cattle did not have the growth or performance needed to compete. His first calves have been weaned and are going to be just as predicted – growthy, good looking cattle with plenty of bone, muscle, breed character and class. They are docile, easy to break and most important are rich in **CONSUMER DEMAND. WE LIKE THEM !!!**

CONGRATULATIONS to Mike England and the RGV Brahman & F-1 Association on a very successful first field day held at England Farms. **A BIG HEARTY THANKS** to all of the participants, speakers, silent auction donors and buyers who helped to raise \$6,000 for the new RGV Brahman & F-1 Association and Pete Abrigo Memorial Scholarship Funds. The interest in this young association has created in 15 months for Brahman cattle is **ELECTRIFYING !!!**

LMC MQ Polled Sally Ride 170/2 is out of a top producing fancy daughter of the Schneider's 495 polled bull & LMC Apollo. We just sold a maternal brother to our ole buddy Ozell Holland. Their maternal grand dam is 707 – the **MATRIARCH** of our herd. Co-owned with Mike Quintanilla.

LMC Polled Stud 171/2 is a polled herd bull prospect that is sired by LMC Apollo and a good looking Horsegate cow that has 6 of 7 Register of Renown Sires in her pedigree. He is going to make an up-standing herd bull that offers lots of bone, correctness and power. 1/2 interest is for sale for \$5,000.

LMC Polled Doble 173/2 is a full sister x full brother mating sired by LMC Apollo and LMC Baby Doll. He is a genetic line bred double polled masterpiece that should be a very consistent producer. Doble is double polled and very gentle. 1/2 interest is for sale for \$10,000. He is **A BEEF MACHINE !!**

LMC Polled Goodness 175/2 and LMC Polled Sweetness 181/2 are two full **ET GOLDEN CROSS BABY DOLL** sisters & future donors for La Reina Cattle Co. & La Muñeca. They are sired by LMC Apollo & LMC Polled Sugar, a full sister to the many times champion LMC Polled Spice. These heifers are just 7 months old & represent the freshest **POLLED** genes in the breed. **THANK YOU** Newt & family for investing in these fancy females.
