

A BIG HEARTY THANKS

goes out to the Newt Huffman Family for investing \$15,500 to buy 1/3 rd interest in their choice of our ET heifer calves and also to the Kelly Barnard Family from Kansas for investing in the 2nd pick of these ET heifer calves after the ABBA sale. Both families are repeat clients and great friends that have some awesome **POLLED** Brahman cattle. All four families are excited about how these cattle will help to raise the bar on the quality of Brahman cattle. Be on the lookout for more breaking news as these cattle are born.

JDH Lady Manso 929 is a Maddox daughter out of our JDH 217 cow that is another of the four donors used in this joint ET venture. These are our very best cow families and the proof is in the pudding.
