

POLLED BREED BUILDERS

La Muñeca Cattle Co.

Simbrahs, Simbraviehs, Braunviehs and Polled Brahmans

707 is the MATRIARCH of our POLLED BRAHMAN HERD. She is the dam to our Senior Herd Sire, PISTOLERO, Beth, Jenny, Stephanie, Caroline, Polled Master and Polled Maestro. We are flushing her to the best POLLED Brahman bulls available. Her progeny are very consistent and enjoy tremendous CONSUMER DEMAND. Co-owned with Westfall Family Farms.

LMC WFF Beth 24/6 is a smooth POLLED DREAM TEAM future donor that is going to help us raise the bar in the POLLED BRAHMAN WORLD. She is 707 x JDH 636/1 and a full sib to LMC WFF Jenny & Polled Master that we own with our good friends from Mississippi, the Chancellors. We sold two other full sibs to our amigos, Bud & Lupita Wentz. Beth is co-owned with Mike Quintanilla and Westfall Family Farms.

Donna is our new donor purchased from the OW Schneider herd who have been breeding functional beefy Brahman cattle for 32 years. She is the best POLLED heifer they have ever raised and is named after our friend, Donna Schneider who has a passion for Brahmans. Some folks fault POLLED Brahmans for not having enough bone and muscle. Donna is a POLLED BREED BUILDER that is going to help us change that perception.

LM She Moves is the most popular cow in the Simbrah breed having produced the past two International Champions, LMC-RF1 Smith Red and Black Bullet. She has had eight sons by three different sires that all have been sold as herd bulls. Her dam is one of our best donors whose last flush produced over \$42,000 before they were weaned. She Moves is a BREED BUILDER that we co own with Reavis Farms and Smith Genetics.

WTR Baylee is the PATRONA of our Braunvieh DREAM TEAM and is one of the most valuable cows in the breed. She is homozygous for the rare and valuable Calpain tenderness gene. She is the dam to two major champion bulls who have sired major champions, Hip Check and Laredo. We own her dam Bess and full sister, LMC LF Devon both of which are BREED BUILDERS. She is the paternal grand dam to our Simbravieh DREAM TEAM and is co-owned with our ole buddy Louie Flores.

LMC Shania is the heart and soul of our SIMBRAVIEH DREAM TEAM and is one of ten full sisters that are going to be the nucleus of this new AMERICAN BREED. Her dam was a purebred Simbrah, LMC 5H-144 that averaged over 40 #1 eggs per flush. We plan to utilize this fertility and combine it with the muscle and carcass merit of her sire, WTR Hip Check and his dam, Baylee and produce some functional, heat tolerant cattle that will enjoy CONSUMER DEMAND everywhere where EAR is a must.
