## A POLLED BRAHMAN BULL WITH BONE, BUTTS, GUTS & NUTS

SUEÑO'S REGISTER OF RENOWN dam is the best cow in the Buddy Bailey herd and has produced over \$100,000 in progeny sales. She is powerful, full of breed character, pigment, capacity and is the quality of cow progressive breeders would want their herd bull to be out of. She has worked well with both red and gray bulls. She was Grand Champion for Codie at the 1998 TJBA Show and at the 1999 Bred & Owned All American and of more importance is producing major champions.

LMC WFF PISTOLERO is our smooth POLLED Senior Herd Sire whose calves are averaging over \$7,000 and are sure enough the RIGHT KIND. You can count on PISTOLERO to add muscle, bone, pigment and CONSUMER DEMAND to his progeny. Semen sells for \$50 per unit with a minimum order of ten units.

LMC WFF Polled Maestro is coming on strong. He is a maternal sib to Pistolero and a full sib to LMC WFF Polled Master, LMC WFF Beth and LMC WFF Jenny. He is smooth POLLED, is loaded with muscle, pigment, breed character and has a very docile disposition. He is in the market for a good home. Give us a call if interested.

CONGRATULATIONS to the Buddy & Kathy Bailey Family for breeding and sharing such an outstanding herd bull prospect. We are ole buddies and look forward to partnering with these good folks on a helluva bull. We like our cattle to have TOTALITY and SUEÑO offers all of that plus some. He would be a great one if he was horned. His scrotal circumference is 38 CM at just 14 months of age. Call Buddy at 254-709-7666 for more info.
