

# SHARING OUR BEST

We are selling this double polled, solid red BABY DOLL purebred Simbrah at the TSSA Sale in Houston on March 3rd, at 7 PM. She will make a great show heifer and can compete for over \$70,000 in premiums at LMC and LMC Sponsored shows or make a great addition to the best of Simbrah herds. We are also selling several of her 1/2 sisters in MAS IV at La Muneca on March 28th.

We are selling this super feminine POLLED Brahman heifer at the prestigious ABBA Houston sale on March the 4th. She is a daughter of our senior herd sire, LMC WFF Pistolero and is out of a daughter of V8 831/5, an International Champion female. She will work in any Brahman, F-1, Club Calf or American Breeds program. QUALITY POLLED females are few and far between. We are also selling two of her POLLED 1/2 sisters at MAS IV.

We are selling 75 bulls of five breeds at MAS IV - one of the best set of bulls to sell in America this year. There will be 55 Simbrahs and a handful of Simmentals, Braunviehs, Simbraviehs and POLLED Brahmans. The bulls are on test and will be ready to work come sale time.

We are selling 125 females at MAS IV with over 100 Simbrahs representing the freshest and hottest genetics going in the breed. This heifer topped MAS III as a baby. A flush out of her, three full brothers and four full sisters to her dam that topped MAS II sell. There will be something for everyone. There will be plenty of great cattle, great people, great food and some darn good southern hospitality. Email or call us for your catalog.
