

# A **NU WAVE** OF STARS ARE HERE

**LMC LF ELISSA** is a **BEEF MACHINE** out of a 1/2 Fleckvieh cow sired by the Eli bull. She is just four months old in this photo. Look for her in the Winner's Circle with Kallie Fuchs at the halter. If you want to raise Simbrahs like her, invest in a breeding share of her sire.

We are very excited about our new calves sired by LMC WFC NU WAVE AMIGO that is a full sib to the many times popular National and International Champion Dream Girl shown by Jordan Grahmann, the \$25,000 MAS V Champion shown by Julia Hunt and the \$10,500 LMC WFC Moose co-owned with Smith Genetics and Wentz Farming. As seen in the photos, these calves are good looking, full of muscle, structurally correct and easy to sell. His dam is the popular LMC Diva cow owned by Wentz Farming Co. His sire is the popular \$30,000 Smith Nu Wave II whose semen is not sold in the USA.

**LMC LF JO LUISSA** is a super correct and thick **BABY DOLL** out of a PCC Night Moves cow. She is owned by Joaquin and Luis Garcia who are going to have a very successful show career with her and a good mama cow afterwards.

We are going to sell 12 breeding shares in LMC WFC Nu Wave Amigo this year for \$2,000 apiece which includes 30 units of semen. **A BIG HEARTY THANKS** goes out to the Darryl Raub family for being the first to invest in semen from this top producing young bull.

**LMC LF MADAME X** is another outstanding Nu Wave Amigo daughter out of LMC LF Twan. She is sired by the \$13,000 many times champion LMC Johnnie Walker and the popular LMC Swan. She kinda looks like Dream Girl and will be shown by Liana Flores.

**LMC WFC DREAM GIRL** won the 2009 National, International, Houston Jr, Super Bowl, 2010 Super Bowl and the \$10,000 Champion scholarship at the SA Show for Jordan Grahmann. She is one of the best ever and the most popular champion in the breed.
